Wishes for Wildlife 2020

Liberty Wildlife nurtures the nature of Arizona and the Southwest, providing expert wildlife **rehabilitation,** natural history **education, conservation** services, and leading by example to demonstrate environmental **sustainability.**

Dear Friends,

Liberty Wildlife is a 501(c)(3) organization dedicated to caring for native wildlife, educating the public about the beauty and benefits of native animals and supporting conservation efforts throughout the state. For the past 38 years our ability to support this mission has depended on the generosity of people like you who value the natural world and its preservation.

This year marks the 27th anniversary of our signature fundraiser, ***Wishes for Wildlife***, to be held on October 24th. It is our biggest event and enjoys the support of about 300 attendees each year. We hope you will consider making a tax-deductible donation to be included in our silent auction or an event prize. Your generosity will be promoted at the event.

Thank you in advance from Liberty Wildlife, the thousands of school children and community members who visit and take part in our education programs throughout the year, and the over 100,000 animals assisted since 1981!

In gratitude,

Megan Mosby
Executive Director
